

Body Paragraph One

Example:

The habitat of a(an) _____ is located in _____. Within this habitat the _____ make their individual homes by _____. This habitat is the best fit for a(an) _____ because of its _____ and _____. Also, this habitat allows this animal to _____. Although it may not seem like it, this habitat is the best fit for a _____. The physical features of the _____ allow for better use of this habitat.

Format

Topic Sentence: Reword the first point in your thesis.

Body: Support your topic sentence with at least three facts, evidence, quotes, and/or examples.

Transitions: Use transitional words to clarify when each new point begins.

<http://grammar.yourdictionary.com/style-and-usage/list-transition-words.html>

Dependent Clauses: Remember that using complex sentences beginning with dependent clauses can also be transitional. Here is a list of subordinating conjunctions.
