

The Project

WEEK 1

Monday: Overview/introduction to the Battle of Gettysburg. Assign day.

Tuesday: Independently watch videos, read articles, take notes about your day of the battle.

Wednesday: Work together to establish the chronology of the day of your battle. Choose two people to draw a map of the battlefields for your day.

Include: Who? Where? What? When? How? Why?

Beginning	
Middle	
End	

More specific details:

	Union	Confederate
Generals		
Leaders		
Casualties		
Strategies		
Human Error		

Thursday: Use your knowledge and statistics to place and move soldiers on your map to re-create the battle. Use ratios of toy:soldier to make your battle. For example, one toy equals 100 soldiers would be a 1:100 ratio.

Friday: Film the re-creation of your battle.

WEEK 2

Monday and Tuesday: Create slide show including the chronology and details of your day. Embed your video into your slideshow.

Wednesday: Tweak.

Thursday and Friday: Present
