Things I already do:

Things I need to do better:

Things I need to learn to do:

***Argumentative Writing Specifics***

Establish and maintain a formal style.

Write a hook and thesis statement to establish your claim.

Support claim/argument with logical reasoning and relevant evidence.

Demonstrate understanding. No plagiarism.

Use words, phrases, and clauses to create cohesion and clarify the relationships among claim-transition words.

Provide a concluding statement that follows and supports the claim/argument presented.

***Conventions***

Choose among simple, compound, complex, compound-complex sentences to vary writing.

No run-ons or fragments.
