

Prep Sheet for Socratic Seminar: Civil War

Main Question: What caused the Civil War?

Answer:

Support your choice with at least three specific pieces of evidence.

1.
2.
3.

Write a counter claim and then explain why your answer is better.

Write three other questions to guide the discussion toward your opinion. These should be open-ended questions with no right or wrong answers. Make sure you have thought through the "answers" to your questions. Use words like *how* and *why* to start your questions.
